

**U.S. EPA's Reducing Nutrient Discharges Through Low-Cost Operational Changes
Webinar Training Series**

HOW DO OPERATORS OBTAIN CERTIFICATION CREDIT FOR ATTENDANCE?

June – July 2021

Minnesota Operators

Minnesota operators who attend this webinar training series are eligible to receive **1.75 contact hours per session, 10.5 contact hours for attending the full series**, approved by Minnesota Pollution Control Agency (MPCA).

After each webinar session, attending operators will be provided a personalized certificate of attendance. Please retain this certificate for your records and submit a copy with your certification renewal form.

Please contact Tracy Finch, MPCA, with any questions regarding certification: tracy.finch@state.mn.us

North Dakota Operators

North Dakota operators who attend this webinar training series are eligible to receive up to **5 continuing education credits (CECs) for attending the full series**, approved by North Dakota Department of Environmental Quality (ND DEQ).

After each webinar session, attending operators will be provided a personalized certificate of attendance. Please retain this certificate for your records. You do NOT need to submit these certificates to ND DEQ to receive credit.

After each webinar session, ND DEQ will receive a report with information to assign credit automatically to attending operators. You do NOT need to contact ND DEQ to receive credit. Please allow up to 30 days after each session for credit to appear in the certification system. Please contact Craig Bartholomay, ND DEQ, with any questions regarding certification: cbarthol@nd.gov

Manitoba Operators

Manitoba operators who attend this webinar training series are eligible to receive **0.2 continuing education units (CEUs) per session, 1.2 CEUs for attending the full series**, approved by Manitoba Conservation and Climate (MCC).

After each webinar session, attending operators will be provided a personalized certificate of attendance. Please retain these certificates for your records and submit these certificates to MCC with your next 5-year licensing renewal paperwork to receive credit. Please contact Donna Garcia, MCC, with any questions regarding certification: Donna.Garcia@gov.mb.ca
