Success Stories Initiative

If you would like to learn more about sharing a Success Story at the annual conference please visit our website:

www.redriverbasincommission.org

Personalized Sponsorships:

We will work with you to customize the different sponsorship levels based on your desired exposure at the conference. We would also be happy to discuss opportunities to sponsor specific sessions or conference events, such as lunches or breaks. Please contact Julie at the RRBC to discuss your sponsorship requests and ideas at (701)356-3183 or julie@redriverbasincommission.org

LAND & WATER
INTERNATIONAL SUMMIT
CONFERENCE**

**"Nourished by Nature:
Getting Back to
Our Roots"**

January 14-16, 2020

**Delta by Marriott
Fargo, ND**

Theme & Purpose

The Red River Basin Commission is celebrating its **37th Annual Red River Basin Land & Water International Summit Conference**. It will be held January 14-16, 2020, at The Delta by Marriott in Fargo, North Dakota. The conference will highlight the progress being made as we work together to achieve basin-wide commitment to comprehensive integrated watershed stewardship and management.

Your Support

Generous support has led to the continued expansion of this conference while allowing us to maintain an affordable conference rate. RRBC is a 501(c)(3) organization in the U.S. and a registered charity in Canada. Sponsors may request a receipt for tax purposes for the full amount of their sponsorship contribution.

Benefits of Sponsorship

Over 400 delegates from across the Red River Basin attend our annual conferences, including government policy makers, elected officials, watershed managers, educators, agencies, producers, business and industry groups, and concerned basin residents. Conference sponsorship provides an excellent opportunity to showcase your services or programs, display new products and technology, and exchange information and ideas with targeted individuals and groups involved in land and water use.

We invite you to take advantage of this unique opportunity to support this event that fosters international cooperation and sheds light on land and water management issues important to Red River Basin citizens.
